

FOR IMMEDIATE RELEASE

BloomFest: A Spring Art & Wellness Festival Returns to Womanspace on May 9

[Rockford, IL] — Womanspace will host its annual BloomFest on Saturday, May 9, 2026, from 10:00 am to 4:00 pm on its campus, welcoming the community for a day centered on the arts, wellness, and connection.

BloomFest is one of Womanspace's largest annual fundraisers, bringing together local artisans, wellness practitioners, musicians, and families in a vibrant, multi-faceted event. The festival's artisan market provides a platform for regional artists and makers to showcase and sell their work, supporting local creative entrepreneurship while offering attendees access to unique, locally made goods.

In addition to the artisan market, BloomFest will feature a plant sale, food and beverage trucks, live music, and a variety of hands-on activities for children and families. Womanspace prioritizes working with local musicians, creating paid performance opportunities while enriching the event's atmosphere.

New in 2026, BloomFest expands its wellness offerings with a dedicated indoor space for intuitive and energetic practitioners, including modalities such as reiki, tarot, and psychic readings. Free outdoor wellness activities—including yoga and meditation—will also be offered throughout the day, making these practices accessible to a broad audience.

"BloomFest is a celebration of spring!" said Nicole Landreth, Executive Director. "This festival brings together artists, practitioners, resources, and families in one space, creating meaningful opportunities for engagement, connection, and the celebration of what's blooming in and around us."

Proceeds from BloomFest directly support Womanspace's ongoing programming and its mission to cultivate a more connected and compassionate community.

The event is open to the public and welcomes attendees of all ages.
