Womanspace Invites Community to “One Enchanted Evening” Garden Party Fundraiser

ROCKFORD, Ill. — Womanspace invites the community to enjoy music, food, wine, and the beauty of the changing season at One Enchanted Evening, a garden party fundraiser on Friday, September 18, 2026, from 5–8:30 p.m.

Set throughout the Womanspace gardens, forest, and labyrinth, One Enchanted Evening offers an opportunity to gather as the fall equinox approaches and celebrate the season of harvest, connection, and community.

Guests will enjoy live music by the Gina Meeks Trio, hors d’oeuvres from Abreo, and wine tastings provided by Artale & Co., featuring Women in Wine.

All event proceeds and wine purchases benefit Womanspace and its mission to provide opportunities for creative expression, personal growth, meaningful connection, and spiritual exploration.

The event will be held rain or shine. Tickets are on sale through September 10 and can be purchased by visiting womanspace-rockford.org.

Womanspace is also seeking volunteers to help make the evening a success. Those interested in volunteering may contact Womanspace at info@womanspace-rockford.org or 815-877-0118.
