

JUST ONE THING

STEWARDSHIP INITIATIVE NEWSLETTER | WEEK 2

The Power of Witness

Last week, we introduced our "Just One Thing" initiative, inviting each of you to discern how God may be calling you to share your gifts of **time, talent, or prayer**.

This weekend, we focus on the **Power of Witness**. At each Mass, a fellow parishioner will share a personal testimony about their experience serving in ministry. Stewardship is more than a list of tasks—it is a response to God's love and an opportunity to grow deeper in faith through serving others.

Listen closely. Our parish becomes stronger when we hear one another's stories and recognize that each of us has something meaningful to offer.

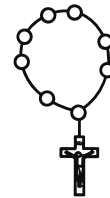

As we continue this journey together, please pray for our parish family and for the Holy Spirit to guide our hearts.
