

What is Sacrificial Giving?

Sacrificial giving is a necessary expression of what we say we believe. It is an intentional and prayerful response to God's generosity - one that requires thought, planning, and trust.

An Act of Thanksgiving

Our offering is a grateful response to the immense love God has shown us.

A Gift

What we give to our faith community is a gift - given freely, without reservation or condition. God gives to us unconditionally, and we are called to model our giving after his.

Proportionate

Our giving is proportionate to what God has given us. We give in proportion to the blessings we have received.

Planned

Sacrificial giving requires thought and intention. We are called to offer our first fruits, not simply what is left at the end of the week.

Sacrificial

We give back to God from our substance rather than our abundance. When we give from what we truly have - not just what is left over - we grow in faith.
