

THANK YOU FOR YOUR GENEROUS SUPPORT!

Your commitment strengthens our parish today and helps us plan for tomorrow.

THANK YOU!

Thank you to all parishioners who have returned a commitment card. Because of your generosity and devotion to our parish community we can continue to thrive.

Your increased offertory support allows us to sustain our ministries, strengthen our programs, and better plan for the future needs of our parish community.

Thank you for living stewardship through your sacrificial giving.

HAVEN'T RESPONDED YET?

IT'S NOT TOO LATE!

We still need EVERY PARISH HOUSEHOLD to return a commitment card—even if you are unable to increase your gift at this time.

Your response helps the parish budget responsibly and plan wisely.

Even if you cannot increase your gift, returning your card matters.
