Garbage and Recycling Service Bills

Residents do not need to contact Waste Management to initiate garbage and recycling service. And, residents will not receive separate (*monthly or quarterly*) bills for garbage and recycling service because it's included in real estate taxes collected by the Municipality.

In 2024, changes were made to our trash & recycling services including full automation and glass recycling! See www.bethelparkpa.gov/trash&recycling for full details!

Municipal Ordinances

To view the entire Municipal Code presented by topic such as "Dogs, Cats & Other Pets" and "Parks, Recreation & Leisure Services," visit www.bethelparkpa.gov, 'About,' 'Codes & Ordinances.'

Sewer Line Testing

There is no current requirement for this.

The Municipality has an established Communications Team that connects with the community in a variety of ways including Facebook, Bethel Park Chronicles, email, text messaging, BPTV, & more.

Bethel Park Chronicles

Bethel Park Chronicles is the official Municipal and School District magazine produced on a quarterly basis by the Municipality, School District and Recreation Department. It's directly mailed to all Bethel Park resident homes and businesses and also includes all Library programs as well as information from Police, Fire, EMS, and more! When a new resident joins the community, their address will be added to the distribution list and no further action should be needed to receive the publication.

BPTV

BPTV is Bethel Park's TV station and includes hundreds of locally produced shows created each year by a staff of volunteers. BPTV is a non-profit public access television station that is volunteer-based available on the following channels:

31/32 – Verizon and 21/95 – Comcast.

The station also has new "On Demand" channels where you can find the latest episodes of every BPTV Program as well as a YouTube channel.
