The March Union meeting will be a **Special/Regular meeting** held on the fourth Monday, March 28, 2022 at 6:30pm at our Glens Falls location. The Special portion of the meeting will be to discuss and vote on the disbursement of the wage increase due May 1, 2022.

From the Business Manager

I am happy to share that at last month's Special meeting, it was a unanimous vote to dissolve the Moreau Building Corporation and to distribute the remaining assets to our Apprenticeship Fund. Thank you to all who attended or sent in Proxy forms so we could proceed with business and complete this task.

On a lesser note, I would like to ask that if anyone has borrowed anything from our hall, i.e., tables, chairs, tools, to please return if you are finished with them so they are available to the next person in need. Thank you! ~Mike

Welfare Fund

Vaccines can now be purchased at your local participating pharmacy with a \$0 copay. These include the flu, Covid-19, Hepatitis, Tetanus, Meningitis, HPV, Pneumonia, Shingles, Travel Vaccines & various Childhood vaccines (MMR, etc). Call your local pharmacy and provide them with your Express Scripts member information prior to scheduling to confirm participation and eligibility

The Trustees understand how individuals can struggle with mental health. They have implemented APTiHealth, a program with CDPHP that provides comprehensive care and support services that are confidential, goal-oriented and online for individuals aged 12 and up. The cost is \$35 per visit to our members.

Again, we would like to take the opportunity to remind our members of the Doctors on Demand App. The App allows for confidential online visits with a doctor at NO COST, allowing you to skip the drive, the wait (and germs) of a waiting room, and any associated urgent care fee. Any doctor found through Doctors on Demand is Board Certified, and can treat a wide variety of issues. Through live video a Doctor on Demand can order lab work, and even write prescriptions. This is a great way to continue to practice social distancing and still receive medical care. Use your smartphone or your computer; Doctors on Demand also allows online visits with mental health professionals in blocks of 25 or 50 minutes, all for NO COPAY. You can even choose to see the same provider each time.

From the Training Office

Another Apprenticeship school year is in the home stretch with just a few weeks remaining; it's always so hard to believe when we get to this point in the year. We are excited for our upcoming graduates and look forward to celebrating with everyone in Saratoga at our banquet on April 29th! ~Jake

The April UA Weld Test Day at our Glens Falls Authorized Testing Facility is scheduled for Saturday, April 16th. If you are interested in coming in to take a test, you must call the office to sign up by the close of business the day before. **Reminder: keep your welder continuity up-to-date!**
