From the Recording Secretary

The March Union meeting will be a Regular meeting held on the fourth Monday, March 27, 2023 at 6:30pm at our Glens Falls location.

From the Business Manager

At our February Union meeting, the membership elected the following members to our Negotiating Committee: Brothers Brian Kill, Eric Denno, James Drexel, and Daniel Zachary Fagle.

Earlier this month, our committee sat down with the appointed MCACD contractors who we will be negotiating with for a meet and greet and as a result, we scheduled March 20th to commence negotiations. Our negotiating committee met afterwards at our Union hall to discuss what we feel comfortable asking for on behalf of our membership, and we are confident that negotiations will go smoothly and we will be able to bring back a new proposal for our members to consider.

With that said, we are hopeful to have a proposal before our March Union meeting. In hopes that we will be able to have a discussion on a new proposal, I am asking for our members to attend this month's meeting on Monday, March 27th. For our Plattsburgh members, the Union hall will be open and the meeting will be streamed via the live monitor system.

From the Training Office

Up for bid/sale to our members at the March 27th Union meeting is an Ingersoll-Rand Industrial Air Compressor with no minimum bid! Call Training Coordinator Jake Ringer on his cell phone at 518-307-9424 with any questions.

The April UA Weld Test Day at our Glens Falls Authorized Testing Facility is scheduled for Saturday, April 15th. If you are interested in coming in to take a test, you must call the office to sign up by the close of business the day before. Reminder: it is your responsibility to keep your welder continuity up-to-date! If you need a form to have your continuity updated by your contractor, are unsure of when your weld process expires, or simply have a question, please don't hesitate to contact Jake on his cell phone at 518-307-9424 or Alexis in the office.
