February 3, 2026

The annual Pomeroy Easter Egg Hunt is scheduled for **Saturday, April 4, 2026, at 3:00 PM.** The Pomeroy Spinners will be organizing the event for the 15th year! Spinners' members are excited to continue this great event for our community, and one that brings smiles to hundreds of excited children from all age groups.

Many have supported the Easter egg hunt on an annual basis. **THANK YOU!!!** To continue offering an outstanding activity that many of our local youth, as well as visiting family members enjoy, we are again asking for your support. It takes many hours of preparation by our members and volunteers as well as monetary donations from businesses and individuals for the purchase of prizes. **This event cannot be successful without the generosity of our community.**

Contributions of any size are appreciated. In 2025, we received donations ranging from \$25 to \$1000. Donations can be sent to:

The Pomeroy Spinners Community Organization is a volunteer, non-profit organization that was created as a local service group in the 1940's to offer services to our community (formerly the Jaycee's). In addition to offering Maple Hall to our community for events, we continually seek grants to renovate Maple Hall. We also sell baked potatoes during the fair, offer a salad bar during Pioneer Days/ Tumbleweed, Letter Service to Santa, cook and serve the community Thanksgiving dinner, organize the annual Easter Egg Hunt, host the Broomstick Pool Tournament, organize the Sweetheart's Ball, and provide scholarships to high school seniors as well as other events the group finds worthy.
