Important Tour Information:

The overall activity level of this tour would be considered a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2 to 3 hours) isn't a big deal. A moderately paced walking tour, covering several miles, hills, and even surfaces is no problem for you. Climbing in and out of various modes of transportation is not a problem for you. This level is not a fit for travelers who require mobility assistance devices. If you require a walker or a wheelchair, or have difficulty walking, you may not be able to access some of the areas on this tour.

If you require any assistance while on tour, please make us aware at the time of your reservation.

Travel Requirements:

Passports are required for this tour at your expense. Your passport must be valid at least six months beyond the date of your last travel date.

We recommend that travelers take a photocopy of your passport and application visas, if required. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.
