Highlight of the Month

THE SUMMER SOCIAL

Summer is a perfect season for our church to build relationships, create memories, and connect with our community beyond Sunday mornings. With the longer days and school breaks, our congregation is often looking for ways to gather, serve, and celebrate together.

Summer provides a unique opportunity to build bridges—within our church and out into our community. Keeping events simple, inclusive, and joyful allows for community connection. People will remember the music and conversation over burgers, fish and/or the dinner and laughter during the games, raffles, and recreations provided. Some will enjoy a quiet prayer.

The core reason for the Summer Social gathering is worship and fellowship!

Outdoor Worship Service

Summer provides the perfect setting for unique worship experiences. Hosting an outdoor service can bring a refreshing change of pace and create a memorable atmosphere for guests, bringing our faith into the center of our community.

Fellowship

Fellowship opportunities such as the Summer Social strengthen relationships within the existing congregation. The Social provides the congregation with an environment to welcome local neighbors and church members, along with all of our community friends to widen our community outreach!

Make it about connection, and you'll plant seeds that grow into deeper discipleship and stronger for our community all year long.

We need your help!

- ▶ **Sign up to help:** Sign up sheets are located in the back of church! Please consider signing up to help us make this year's Social a success!
- ▶ **Join the Committee:** For anyone interested in taking on a bigger role to help make our future summer social's successful, please get in touch with Melanie Stone @ melaniestone@att.net
- ▶ **Donate:** The Social relies on donations in the form of gift baskets and prizes for the raffle and games! If you or your company are interested in donating prizes or items, consider donating to our future Social's!
