General Updates

Bill wants pictures of each member for the website.

After the meeting Bill pointed out that on the website there is a drop-down box on the left-hand side for you to select the language (English, Spanish or Creole)

Debbie talked with Father and for a speaker there are not many funds available. We had the talks in January. We probably don't need to provide a speaker on stewardship until late this year or beginning of next year.

Website Updates, if any

Monthly Ministry Presentation Schedule – Did those contacted agree to talking in July, September, October and December?

Our Lady of Hope Celebration – Did we get the Middle School gym for January 16/17?
