

# Stewardship SECTOR

## Highlight of the Month

### THE STEWARDSHIP COMMISSION

The Stewardship Commission's goal is to keep people plugged into their faith, whether that be through encouraging a deeper relationship with God through prayer, celebrating community through parish activities, or by lifting each other through volunteer roles in the church.

#### Stewardship Commission Activities:

- ▶ **Stewardship Highlights:** We will highlight a church ministry every month in 2026. Each ministry will provide a presenter at Mass and a description of their ministry in the Stewardship Sector of the bulletin.
- ▶ **Stewardship Challenges:** We provide challenges each week to encourage parishioners to grow and share the mission of stewardship. Parishioners may contact Maria Killion at 812-486-9559 or [mkillion55@gmail.com](mailto:mkillion55@gmail.com) if they have a suggestion for a weekly challenge that would be pertinent to their ministry.
- ▶ **Ministry Opportunities:** Our Lady of Hope Parish is blessed with many ministries that allow us the opportunity to grow in our stewardship mission. A listing of these ministries, with contact information, can be found on our church's website: [ccwash.org](http://ccwash.org). Please reach out to these contact persons or call the parish office, 812-254-2883, if you are interested in joining a ministry.
- ▶ **Guest Speakers:** A guest speaker will join us in 2026 to provide guidance and inspiration to our parish as we strive to share and embrace the many gifts God has given us.
- ▶ **Celebrations:** Sunday, January 18<sup>th</sup> we will be celebrating Our Lady of Hope's Feast Day with a 10:00 am Bilingual Mass and Luncheon following in the MS Gym.

Stewardship is a grateful response by each of us, as we recognize and receive God's gifts and share these gifts in the love of God and our community. The fruits of our stewardship are all around us!
