vary with usage and will be used for meters, meter maintenance and replacement, collection system maintenance, capital costs, and Sewer Plant maintenance.

SECTION 5.

The rates herein shall be effective with the March 1st, 2026 bills.

SECTION 6.

Should service begin between normal meter reading dates, the minimum charge shall be pro-rated based on the 1/30th of the appropriate minimum charge for each day the water was turned on of that billing period. The normal billing period shall begin on approximately the 20th day of the month and end on approximately the 20th day of the following month.

SECTION 7.

The rates charged for water and sewer service for non-residents of the Village of Jackson Center, Ohio shall be the preceding rates, plus an additional fifty (50%) percent to defer the additional costs of providing said service, as outlined in Section 1 and Section 2.

SECTION 8.

The preceding water and sewer charges are “net” to the customer. Ten percent (10%) shall be added to the water and sewer charge if not paid by the due date displayed on the monthly bill for water and sewer service, and service may be disconnected after failure to pay and subject to a disconnect fee. Overdue accounts 60 days or more are subject to eighteen percent (18%) per annum interest charge;

SECTION 9.

Any and all ordinances or parts of ordinances in conflict herewith, are hereby repealed.

SECTION 10.

Council declares this to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare; such emergency arising out of the need to provide the necessary funds for the safe and dependable operation of the water and sewer plants; wherefore, this ordinance shall take effect and be in force from and after its adoption by Council and approval by the Mayor.
