

TRAINING STARTS 19 OCT 2026

PRIVATE-SECTOR READINESS SYSTEM

You've Led Teams. Managed Chaos. Delivered Results.

Now it's time to understand the environment you're stepping into.

Leaving the military isn't just a job change. You're entering a different operating environment—the private sector. Private-Sector Readiness helps you understand how that environment works before you enter it.

**Fall Cohort | 5 Weeks | Virtual | ~1 Hour/Week
Designed for Demanding Military Schedules**

Sponsor-Funded Seats Available for Luke AFB

WHAT YOU'LL LEARN

- A clear framework for understanding your transition
- A practical understanding of how the private sector works
- A better way to explore careers before choosing your path
- A cohort of service members navigating the same transition
