

TRAINING STARTS 27 JULY 2026

PRIVATE-SECTOR READINESS PROGRAM

You've Led Teams. Managed Chaos. Delivered Results.

Now it's time to understand the new environment you're stepping into.

Leaving the military isn't just a job change. It's a shift into a completely different operating environment—the private sector. This program gives service members a simple framework to navigate that transition with clarity and confidence.

**Summer Cohort | 5 Weeks | Virtual | ~1hr/week
Designed For Demanding Schedules**

Limited sponsor-funded seats for Luke AFB

WHAT THE 5-WEEK TRAINING GIVES YOU

- A simple, clear framework for navigating transition successfully
- Insight into how the private sector operates
- Tools to begin exploring post-military career paths
- A supportive community of peers making the same shift
