# Membership Referral Program

*\$50 Restaurant Gift Card  
(to referring member)*

By referring a prospective member to the Glendale Chamber, current members are eligible to receive a \$50 gift card to a member restaurant of their choice. Referrals must be facilitated by utilizing one of the following two methods:

1. Via Email: Referring member to send an email copying both the prospective member and a Business Development Manager. The email should detail in a few sentences the conversation member has had with prospective member and how investment in the chamber may benefit prospective member business and/or the community.
2. In Person: Referring member to do a face to face introduction with prospective member and a Business Development Manager. Introduction should detail the conversation to date and how investment in the chamber may benefit prospective member business and/or the community.

*\*Prospective member must become an investor within 45 days of introduction. Gift cards will be awarded at Business After Hours (BAH) within 45 days of signup. Those unable to attend BAH may pick up their gift card at the Glendale Chamber office.*
