Count, Learn, and Have Fun
With Benny Bear!

By Michelle Hardaway

Benny Bear woke up smiling.

"Today is a counting day!" he cheered.

"Will you count with me?"

Benny found 1 big red apple.

"One apple!" he laughed.

"Yummy!"

Next, Benny saw 2 blue birds.

"One... Two!"

The birds sang,

"Tweet! Tweet!"

Benny counted 3 happy
butterflies.

"They love to flutter!"

One... Two... Three!

Near the flowers were 4 busy bees...
...and 5 colorful flowers!
The bees buzzed.
"Buzzz! Buzzz!"

Benny smiled as he counted:
6 hopping frogs!

Benny smiled as he
counted:

7 shiny stars

8 fluffy clouds

9 green leaves

The world was full of
numbers!

Then Benny counted 10 happy friends playing together.
"One, Two, Three, Four, Five...
Six, Seven, Eight, Nine...
TEN!"

Benny clapped his paws.

"Great job counting!

Let's count again tomorrow!"
