

6th Grade Weekly Worksheet Packet

Everything you need for a successful year!

Math • Vocabulary • Reading Comprehension

Engaging activities designed for middle school success.

Perfect for classroom, homeschool, and extra practice.

Reading: Fiction Analysis

The Secret of the Old Clock

Leo found the key hidden behind the portrait. It was cold and heavy. He approached the grandfather clock in the hall, his heart racing. He knew that if he turned the key at exactly midnight, everything would change.

1. What is the mood of this passage? _____

2. What is the internal conflict Leo is facing?

Reading: Non-Fiction Analysis

Renewable Energy

Solar and wind power are becoming the primary sources of energy in many countries. Unlike fossil fuels, these sources do not emit greenhouse gases. However, the challenge remains in storing energy for use when the sun isn't shining or the wind isn't blowing.

1. What is the main idea of the passage?

2. What is one disadvantage mentioned?

Reading: Main Idea & Details
