

45 x 48 x 34 Solid Wall Bulk Bin

The 45 x 48 x 34 solid wall plastic bulk bin is used extensively by the food processing industry for its superior durability, splinter resistant plastic, non-porous surfaces, lightweight construction, and rounded corners. Made from FDA-approved premium, injection-molded plastic, the bulk bin is certified safe for use in food production. This 1,300 lb.-capacity, container is built to provide years of service. The 45 x 48 footprint, 34 height container is stackable, easy to clean, and is 100% recyclable. It has pallet jack and 4-way forklift access for secure and efficient handling. White color.

Part #: DGM454834-S

Special Features

FDA Approval

This container is FDA approved for the handling and processing of agricultural and food products.

Rounded Corner Construction

Rounded corners and smooth surfaces mean fewer scuffs, abrasions, and cuts on your product.

Smooth Wall Construction

Smooth, nonporous surfaces are easy to sanitize and won't trap debris, breed bacteria, or absorb chemicals like wood bin.
