

# Minimum Qualification Standards for Disability Support Workers

The below list outlines the recognised qualifications that you'll need to work as a Disability Support Worker with Edmen Community Staffing Solutions.

## Preferred Qualifications

- Cert III or higher in Disabilities
- Cert III or higher in Individual Support
- Cert III or higher in Community Services

## Recognised Qualifications

### CERTIFICATE III

- Cert III or higher in AIN
- Cert III or higher in Aged Care
- Cert III or higher in Mental Health

### DEGREE

- Degree in Allied Health
- Degree in Health Science
- Degree in Human Services
- Degree in Nursing

## Don't have a minimum qualification?

Edmen Community partners with leading training organisations that can help you get the qualifications you need to work in residential youth support. Government funding may also be available. So even if you don't meet all the qualifications, we still encourage you to apply to work with us.
