Highgrove 'Specially Selected'

Wine of Italy - Schola Sarmanti

Founded in 1999, Schola Sarmanti produces great wines with love and devotion from native vines such as Fiano, Negroamaro and Primitivo, a great expression of the precious terroir of Salento. The winery is proud of its excellent and ancient vineyards with vines up to 80 years old. Benedetto Lorusso preserves the ancient training system, Alberello Pugliese. This is an important choice, a technique so difficult and so precise that only the most expert practitioners are able to craft high quality and high prestige wines using it. The measure of success is in the awards and prizes won from all over the world for their wines.
