

JSP JOINT FIRE DISTRICT

END OF YEAR REPORT

2023

2023 Overview

- JSP was awarded \$223,809.52 for a vehicle through the Assistance to Firefighter's Grant to purchase a new brush truck, replacing a 1989 Chevy brush truck.
- For the first time since 2009, JSP was able to increase revenue by running a renewal levy with an increase. Members went door to door passing out pamphlets, hosting meetings and going out to talk to the public. We plan to use this money for
 - A new fire engine to be NFPA compliant.
 - A new medic unit, replacing a 2001 medic.
 - New fire gear.
- JSP signed a contract for a new engine, made by Spencer, due July 2025, costing almost \$900,000.
- JSP signed a contract for a new medic unit, made by Horton, due December 2025, costing almost \$390,000.
- Firefighter of the year was awarded to Ben Pence Jr. FF Pence was said to be very reliable, always willing to help, knowledgeable about JSP procedures and the area.
- EMT of the year was awarded to James Wood. EMT Wood was said to be dependable, always willing to learn, responds to a lot of volunteer calls. EMT Wood has been an amazing addition to the JSP team.
- Ladders, hose and pumps tested to NFPA standard.
- 1 personnel obtained his level 1 certification.
- 1 personnel obtained his level 2 certification.
- 2 personnel became EMT's.
- Assistant Chief Atkins applied for multiple grants, reducing the cost to our taxpayers.
- Four officers became fire investigators.
- For the first time in JSP history, JSP took over 1,000 calls for service. Total for 2023 was 1078.
- Total volunteer hours
 - Fire 1572
 - EMS 788
 - Training 808.5
