

## **Sweetwater Country Club Member Welcome Packet - Golf**

I personally would like to take this time to welcome you and your family as Sweetwater Country Club Members!

Joining a private country club is exciting and to make your experience special it is important to us to offer some insight about the two golf courses along with what services we offer.

Designed by architect Roger Packard, Sweetwater opened its first 9 holes in late 1982 and today we offer 36 holes of great golf for all levels of players. One of many claims for Sweetwater Country Club was Host to the LPGA Hall of Fame Golf Classic in July 1984 & 85.

Sweetwater Country Club now lives on as a formidable test in golf for the firmly established family community culture of Sugar Land. Two courses (Pecan & Cypress) continue to offer a diverse challenge to golfers of all levels. On Pecan, players will experience lengthy holes of relatively open play, susceptible to ever present Texas winds and at a turn begin winding through majestic pecan groves with the tranquility of aged Spanish moss. Those who would rather play a shorter test are constantly challenged by the emphasis of position over length to avoid the water hazards, strategic bunkers, and uneven lies of the Cypress course. In addition to beautiful golf courses, Sweetwater harbors a double-sided driving range, immense practice facilities, a well provisioned golf shop and a highly acclaimed teaching academy. Please take a moment to fill out the questionnaires as it will help us provide you with additional information on each of these areas.

We look forward to having you and your family here at Sweetwater Country Club! If you have any further questions after reviewing this informational packet, please don't hesitate to contact me. I look forward to meeting you, and once again, welcome to the Club!

Sincerely,

**Ryan Kern**

# Tee-Time Policy

## Reserving A Tee-Time

- Members may book tee times up to 4 days in advance by phone, online or through the mobile app.
  - Online reservations open 4 days in advance at 7:00 AM.
  - Full Golf members can book 5 days in advance starting at 10:00 AM.
    - These tee times are to be made over the phone or in person.
  - Create a buddy list with members you frequently play with and enter their names into the tee sheet when booking.
    - This will shorten the time it takes to check in and help us pull bags in advance if they are stored on site.
- Members must make starting times for all play. Players without reservations shall be assigned available tee times that have not been reserved.
  - This helps us staff properly, pull out member's bags from bag storage, and cut down on pace of play issues due to members being "squeezed" in between groups.
  - Only book for the number of golfers that have confirmed to play that day.

## Cancelling A Tee-Time

It is the responsibility of the tee time subscriber to cancel or modify group sizes no later than 24 hours before the scheduled reservation. These cancellations or modifications can be made online, or by calling the golf course directly at (281) 980-4653. Failure to comply with this policy will result in verbal or written reminders by the Professional Staff, the member incurring financial penalties, suspension from the tee time service or a combination of all three. Detailed steps are below:

- Violators will receive initial reminders in person or in the form of an email.
- If member continues to have an issue, they will then be assessed a \$10 per person fee for each no show.
- Finally, member will be suspended from booking tee times for up to a month.

In the event of questionable weather if 80% of scheduled tee times are present then requirements of this policy will be enforced.

## Golf Shop Check-in

All members and guests **MUST** check in at the golf shop counter to receive a ticket and a golf cart key. Please register with the golf shop at least fifteen (15) minutes before commencing play, so the starter may control traffic on the course.

To make the check in process run quickly please do the following:

- First, let the golf shop know what course and what tee time you will be playing in.
- Provide the name of the player who booked the tee time.
- Then provide your name & membership number.
- Finish with how many holes you will be playing and whether you will be walking or riding.

All guests must be accompanied by a member and pay the applicable guest fee. Member etiquette violation is \$25 if process is not followed.

- Must have valid driver's license to operate golf cart.

- Return your golf cart to the cart staging area and do NOT leave them in the parking lot after your round. Member etiquette violation is \$25 if not followed.

- Weekday Golf Members can access the practice facility from Tuesday to Friday.

## **Teaching Philosophy**

Bryan Gathright's philosophy on teaching is to guide each golfer's journey to play better golf and enjoy the game for a lifetime. Gathright Golf coaches are trained to provide each golfer with sound, fundamental teaching principles to help them perform to the best of their ability in safe movement patterns. There is no single swing method, even at the highest level on tour. Although there are certain swing fundamentals common among the game's greatest players, each individual player is different. Gathright Golf will work with each player's strengths to keep them strong and strive to improve their weaknesses. Our coaches will lay out a concise and simplistic approach to instruction—golfers will receive a gameplan based on both an assessment of their skills and their physical limitations, always building the most efficient, healthiest movement patterns.
