

St Vincent de Paul Ministry

As the year ends, we reflect on the many gifts we have been given. We want to thank our parish and parishioners for their generosity over the last year. We have been truly blessed by your monetary, Christmas Giving Tree, and furniture or household goods donations. These gifts help us provide hope for the neighbors we serve.

Thank you for your prayers, which make a positive impact on our ministry. We experience miracles as a result. It doesn't seem possible that we can fulfill some requests, but we can feel Him guiding us when we hit a roadblock.

All year long we have been sharing stories of our experiences with people we served and what it's like to be a Vincentian. Here's a quick recap of our progress: through November, we received over 850 requests for assistance. We spent \$48,000 primarily on rent and utilities. Additionally, we distributed \$13,000 of donated items, including food/gas from donated gift cards, donated furniture and household goods, and clothing from KidVantage. Those we help include single parent families, minorities, immigrants, victims of domestic violence, disabled individuals, homeless people, and the unemployed or underemployed.

We wish you many blessings this Christmas Season. And again, we thank you!
