St Vincent de Paul Ministry: It Truly Takes a Village

Our St. Vincent de Paul ministry is grateful to serve our neighbors in need, and we do so with the help of many wonderful partners. Along with providing grocery cards, we connect families to community food resources such as Hopelink, Holy Innocents Food Bank, Renewal Food Bank, Open Kitchen, NW Share, and the Salvation Army meal programs.

Housing and utility assistance often requires shared effort. We collaborate with Hopelink, 4Tomorrow, Catholic Community Services, United Way, Overlake Christian Church, the Muslim Community Resource Center, the Salvation Army, and others to prevent eviction and keep the lights on.

For children's essentials, we work closely with KidVantage for younger kids. Our own new SVdP youth ministry helps gather needed items for older children and assist with furniture donations both pick up and deliveries.

We are blessed by other partnerships within the parish—Knights of Columbus and Welcome Circle volunteers that help us move furniture or provide additional assistance when we are working with refugee families or those in our Safe Parking program transitioning into housing.

Together, we make it possible to care for our neighbors with compassion and dignity. It truly takes a village, and we are grateful for every helping hand.
