PTFA Summer Fair

A huge thank you to our CTK PTFA for a wonderful Summer Fair! The rain stopped and the sun came out just in time for the Summer Fair, it was such a lovely afternoon. The School field was buzzing with families and children having lots of fun especially at the "Soak the Teachers" stall. These events would not be possible without our amazing PTFA and staff who volunteered and organised our fair. Thank you so much as it makes such a difference to our school. Also thank you to everyone who came and hope you had a lovely time too.

Alla and Furves at CTK

CTK were absolutely treated this week to an afternoon of music and fun from Alain and Servo. The children got to experience some different cultural music. Learning more about how music can bring many people and cultures together. They got to hear the sounds and rhythms of a wide variety of different instruments and used their own body percussion to enhance their pieces. Together they created incredible sounds and even enjoyed some singing too.

Tuesday 1st September and Wednesday 2nd September are INSET Days

School to re-open on **Thursday 3rd September 2026** for the start of the new school year.

Whole School Photograph – Thursday 25th June

On **Thursday 25th June**, we will be having a whole school photograph. This only takes place every four or five years, making it a very special occasion. To ensure the photograph looks its best, all pupils should come to school wearing their full school uniform. Please do not wear PE kit or leavers' hoodies on this day.

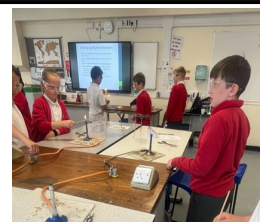

Our whole school photographs are proudly displayed near the school office, and they become a treasured part of our school's history. We all enjoy looking back at them over the years, and this photograph will be a wonderful way to mark this moment in our school's journey. Thank you for your support.

Year 5 at St Bede's

St Bede's was an amazing opportunity for us (Year 5s) to experience a secondary school for the first time. The school was very welcoming, and the teachers were extremely kind. The students introduced themselves with a dance which we all enjoyed, and then we got to try out some lessons to see what secondary is like.

Our personal favourite subject there was Science, we enjoyed the fun experiment that we did and used a Bunsen Burner.

We also enjoyed meeting the students that were hosting; they were very welcoming. We also did Geography about the FIFA World Cup 2026 that we loved; we also had maths and the other group of children from our class did music. And this was an experience that we will never forget. We really appreciated the trip to ST Bede's.

By Olivia and Nadia from Year 5.
