Background:

On January 16, 1989, by Declaration of Condominium dated January 12, 1989, Marian Ungar Coopersmith ("Declarant"), then the owner in fee simple of certain real estate located in the Borough of State College, Centre County, Pennsylvania, submitted the real estate described on Exhibit "A" thereto, together with all easements, rights and appurtenances thereto belonging and the buildings and improvements erected or to be erected thereon (collectively referred to as the "Property") to the provisions of the Pennsylvania Uniform Condominium Act, 68 Pa.C.S. The Towers Condominium Association, which now controls the Condominium, pursuant to a vote at least 67% of the Percentage Interests of the Unit Owners made at a duly noticed and held meeting on the 30th day of Oct, 2025, now amends and restates that Declaration.

Allocation of Percentage Interests, Votes and Common Expense

Liabilities; Unit Identification and Boundaries; Maintenance

Responsibilities

Section 3.1. Percentage Interests. Attached as Exhibit "C" hereto is a list of all Units by their Identifying Numbers and the Percentage Interest appurtenant to each Unit. The Condominium consists of residential units, office units, and parking units. For ease of identification, the Identifying Number of each Office Unit begins with the letter "O", each Residential Unit with the letter "R" and each Parking Unit with the letter "P". The Percentage Interest shall determine the portion of the votes in the Association and the share of Common Expense Liability and Common Expense Surplus appurtenant of each Unit. The Percentage Interest appurtenant of each Residential and Office Unit is determined on the basis of size, by dividing the size of each Unit by the aggregate sizes of all Units. The size of each Residential and Office Unit is the total number of square feet of floor space contained therein determined by reference to the dimensions shown on the Plats and Plans. The Percentage Interest of each Parking Unit is determined in accordance with Exhibit "C".

Section 3.2. Unit Boundaries.

(a) Each Residential and Office Unit consists of the space within the following Boundaries:

(i) Upper and Lower (horizontal) Boundaries: The upper and lower Boundaries of the Unit shall be the following Boundaries extended to an intersection with the vertical boundaries:

(aa) Upper Boundary: The horizontal plan of the bottom surface of the ceiling.

(bb) Lower Boundary: The horizontal plan of the top surface of the unfinished floor.

(ii) Vertical Boundaries: The vertical Boundaries of the Unit shall be the vertical planes, extended to intersections with each other and with the upper and lower Boundaries, formed by the Unit-side surface of the side walls which surround the Unit, and the Unit-side surface of walls, sills, windows and doors where their Unit-side surface is outside the vertical plane.

(b) Each Parking Unit consists of the space within the following Boundaries:

(i) Upper and Lower (horizontal) Boundaries: The upper and lower Boundaries of the Parking Unit shall be the following Boundaries extended to an intersection with the vertical Boundaries:

(aa) Upper Boundaries: The horizontal plan of the space which shall be eight (8) feet above the lower Boundary.

(bb) Lower Boundaries: The horizontal plane of the top surface of the unfinished floor.

(ii) Vertical Boundaries: The vertical Boundaries of the unit shall be the vertical planes, extended to intersections with each other and with the upper and lower boundaries, formed by the lines painted or affixed to the floor, including in the case of the front and back of the unit, the imaginary line between the end of the two side lines.

Section 3.3 Maintenance Responsibilities. Notwithstanding the ownership of the various portions of the Common Elements and the Units by virtue of the foregoing Boundary descriptions, the Units, Common Elements and Limited Common Elements, shall be maintained and repaired by each Unit Owner and by the Association in accordance with the provisions of Sections 3307, 3208 and 3314 of the Act, as amended from time to time, except as expressly set forth to the contrary herein.

Section 3.4. Relocation of Unit Boundaries; Subdivision and Conversion of Units. Relocation of Boundaries between Units and subdivision or conversion of Units will be permitted subject to compliance with the applicable provisions in Sections 3213 and 3215 of the Act, as amended from time to time, Section 7.1 (i) of this Declaration and applicable sections of the By-Laws and the Rules and Regulations.

Owners and occupants of Office Units must comply with all laws, zoning ordinances or regulations of all governmental bodies having jurisdiction over the Property.

(c) Storage and Insurance Rates. Without the prior written consent of the Executive Board, nothing shall be done or kept in any Unit or elsewhere on the Property which will increase the rate of insurance of the Building or the contents thereof beyond the normal rates applicable for its use. No Unit Owner shall permit anything to be done or kept in his Unit or elsewhere on the Property which would result in the cancellation of insurance of any portion of the Building or the contents thereof, or which will be in violation of any law or ordinance. No refuse shall be permitted in the Common Elements or Limited Common Elements other than in any designated receptacles.. There shall be no obstruction of the Common Elements or Limited Common Elements, nor shall anything be stored in those areas without the prior written consent of the Executive Board except as herein expressly provided.

Unit Owners and occupants shall not cause or permit anything to be hung or displayed on the outside of windows or placed on the outside walls of the Building and no sign, awning, canopies, shutters, or radio or television antennas shall be fixed or placed upon the exterior walls or roofs or any part thereof without the prior written consent of the Executive Board. No animals, including without limitation, rabbits, livestock, fowl or poultry of any kind shall be raised, bred or kept as pets in a Unit or in the Common Elements or elsewhere on the Property, except a bird, or a domestic household dog, or a domestic household cat, with no more than two (2) animals allowed per Unit and subject to the Rules and Regulations. It is provided that no allowed animal may be kept, bred or maintained for any commercial purposes and provided, further that any such animal causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the Property upon three (3) days' written notice from the Executive Board. Nothing in this subsection shall be constructed to prevent a Unit Owner from having an animal in the Unit as permitted by applicable law.

(f) No Smoking. No smoking shall be allowed within the hallways, elevators, stairwells, parking garage or other portions of the Common Elements or Limited Common Elements located within or outside the Building, except those exterior areas specifically designated by the Executive Board from time to time for smoking.

(g) Offensive Activities; Hazardous Materials. No noxious or offensive activity shall be carried on in any Unit or elsewhere on the Property nor shall anything be done therein or thereon either willfully or negligently which may be or which may become an annoyance or nuisance to the other Unit Owners or Non-Owner Occupants. No hazardous substances, hazardous waste, or regulated substances, as those terms are defined by the Hazardous Sites Cleanup Act (35 P.S. Section 6020.101, et seq., as amended from time to time and the Storage Tank and Spill Prevention Act, 35 P.S. §6021,101, as amended from time to time, shall be stored on or within the Property at any time.

(h) Structural Integrity; Subdivision and Combination of Units. Nothing shall be done to any Unit or on or in the Common Elements or Limited Common Elements which will impair the structural integrity or structurally change the Buildings. No Unit may be divided or subdivided into a smaller Unit nor may any portion of any Unit be added to or incorporated into another Unit without the prior written consent of the Executive Board. Additionally, all

requirements set forth in Sections 3213 and 3215 of the Act, as amended from time to time, and applicable sections of the By-Laws and the Rules and Regulations must be satisfied.

(i) Subject to the foregoing, two or more Units may be combined either vertically or horizontally, and doors, windows, stairways or other openings established between such Units, with the prior written consent of the Executive Board subject to the following:

(aa) The percentage of undivided interest appertaining to any such combined units shall be the sum of the percentages of the individual Units so combined;

(bb) All work done in combining such Units shall be at the sole cost and liability of the Unit Owner carrying out such work;

(cc) The work to combine the Units shall be subject to all of the requirements of the By-Laws and Rules and Regulations and shall be carried out in a manner so as not to interfere with the use and enjoyment of the Common Elements, Limited Common Elements, and the other Units by the Unit Owners or Non-Owner Occupants; and

(dd) Upon completion of such combination of Units, and provided the conditions of this subsection are satisfied, any required amendments to this Declaration and to the Declaration Plat or Plans shall be made.

Each Residential Unit and Office Unit Owner, regardless of Unit size, shall be assigned and own at least one (1) Parking unit for exclusive use of and by the Unit. Some Parking Spaces shall be reserved for guests or business invitees of the Unit Owners as set forth in this Declaration, the By-Laws or the Rules and Regulations.

Parking Spaces reserved for guests or business invitees of Unit Owners may not be used by employees of Unit Owners for any reasons or periods of time, excepting employees whose principal place of business is not the Property and who are visiting the Property on a short-term, temporary basis.

Parking Unit(s) assigned pursuant to this subparagraph may be owned only by Owners of a Residential or Office Unit. Those Parking Spaces initially assigned with each Residential Unit and with each 1,000 square feet of Office Unit may be transferred, sold or conveyed only to another Unit Owner.

(l) Electrical Heating and Plumbing. No one shall overload the electrical wiring in the Property or operate any machinery, appliance, accessories, or equipment in such a manner as to cause, in the sole judgement of the Executive Board, any unreasonable disturbance, or make any alterations or connections with the electrical, HVAC or plumbing systems without the prior written consent of the Executive Board.

(m) Security. The Association will strive to maintain The Towers as a safe, secure environment. However, under no circumstances shall the Association be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Unit Owners, Non-Owner Occupants, guests and invitees of any Unit Owner or Non-Owner Occupant, as applicable, acknowledge by their presence that the Association is not an insurer and that each Unit Owner, Non-Owner Occupant, guest and invitee assumes all risk of loss or damage to persons, to Units, and to the contents of Units and further acknowledges that the Association has made no representations or warranties, nor has any Owner, Non-Owner, Occupant, guest or invitee relied upon any representation or warranties, express or implied, including any warranty or merchantability or fitness for any particular purpose relative to any security measures recommended or undertaken.

(n) Powers of the Executive Board. The Executive Board shall have the power to make such rules and regulations as may be necessary to carry out the intent of this Declaration and the By-Laws, as they may be amended from time to time, and shall have the right to bring suit

on behalf of the Association to enforce the provisions of this Declaration, the By-Laws and the Rules and Regulations. The Executive Board shall further have the right to levy fines for violations of the provisions of the Declaration, the By-Laws and the Rules and Regulations; any unit Owner determined to be in violation of this Declaration, the By-Laws or the Rules and Regulations shall pay all attorney's fees and costs incurred by the Executive Board in the enforcement of the Act or the Condominium Documents against the Unit Owner and any fine levied by the Executive Board, provided that the fine for a separate violation may not, under any circumstances, be less than \$150.00, except in the case of an unauthorized short-term rental (including but not limited to Airbnb or Vrbo), in which case the fine shall not be less than \$2,500.00. Each day a violation continues after notice shall be considered a separate violation. Subject to the foregoing, the Board shall have the authority, in its sole discretion, to levy fines in the amount deemed appropriate. Any fine so levied is to be considered as a Common Expense levied against the particular Unit Owner involved, with such fine forming a lien against the Unit, and collection may be enforced by the Executive Board in the same manner as the Executive Board is entitled to enforce collections of Common Expense. The Executive Board shall establish a procedure for delivery of notice of and holding of a hearing wherein all interested parties may appear prior to the levying of any fine.

(o) Use of Common Elements. The Common Elements shall be used only for the furnishing of the services or facilities for which they are reasonably suited and which are incident to the use and occupancy of the Units.

(p) Reserve Funds. The Executive Board shall have the power to create reserve funds, which funds shall be used for benefit of Unit Owners, and to assess the Unit Owners for contributions to the reserve funds in accordance with their Percentage Interests.

Article VIII

Leasing; Prior Approval or Resale of Unit

Section 8.1. A Unit Owner may lease his Unit (but not less than the entire Unit) at any time under the conditions as herein stated:

(a) No Residential Unit Owner may lease more than two (2) Units regardless of the number of Units owned by the Unit Owner, except with the prior written approval of the Executive Board. There shall be no restriction on the number of Office Units that may be leased by a Unit Owner.

(b) No Unit may be leased for transient (including but not limited to Airbnb or Vrbo) or hotel purposes or for a term of less than twelve (12) months; provided, however, that a

Residential Unit Owner may allow persons to live in a Residential Unit for a period of no longer than fifteen (15) consecutive days so long as no rent is charged.

(c) Any proposed lease of a Unit is subject to prior written approval by the Executive Board. If within seven (7) business days after receipt of the proposed lease the Executive Board has neither approved nor disapproved of the lease, then the lease shall be deemed approved.

(d) No Unit Owner may lease a Unit without presenting to the Executive Board, prior to the effective date of the lease, the Unit Owner's forwarding or mailing address and a written Lease signed by the Unit Owner and lessee, which Lease includes the following provisions:

(i) The Unit Owner has given a copy of the Condominium Documents to the lessee and the lessee agrees to abide by the same;

(ii) The Unit Owner and lessee agree that any violation by the lessee of the Condominium Documents or the Act is to be deemed a violation of the lease which shall entitle the Association, after notice to the Unit Owner and failure to cure within ten (10) days thereafter, to evict the lessee by any means available, including but not limited to a judicial eviction;

(iii) Notwithstanding any provision to the contrary in the lease, the Unit Owner remains responsible for the payment of all amounts due to the Association by virtue of ownership of a Unit; and

(iv) The Unit Owner assigns to the Association all rent or other amounts payable to the Unit Owner under the lease upon default in payment by the Unit Owner of any amount due to the Association by virtue of ownership of the Unit, the Association may notify the lessee to, and the lessee thereafter will pay all monies due under the lease to the Association.

(e) No lessee may keep any animals or pets on the Property.

Section 8.2. Conveyances, Sales and Transfers. In order to insure a community of congenial Unit Owners and Non-Owner Occupants and protect the value of the Units and to further the continuous harmonious development of the Condominium, the sale, conveyance and transfer of Units by any Owner shall be subject to the following provisions:

Prior to sale, conveyance or transfer of any Condominium Unit, the Unit Owner shall notify the Executive Board, in writing, of the name and address of the person to whom the proposed sale is to be made and furnish such other information as may be required by the Executive Board. Within fifteen (15) business days from receipt of said notification, the Executive Board shall either approve or disapprove the proposed sale and shall notify the Unit Owner in writing of its decision.

In the event the Executive Board shall fail to approve or disapprove the proposed sale within fifteen (15) business days, the failure to act as aforesaid shall be considered approval of the sale.

In the event the Executive Board disapproves the proposed sale because the prospective purchaser:

(a) Does not satisfy the credit worthiness reasonably necessary to discharge the obligations of a Unit Owner; or

(b) Intends to use the Unit in a manner which is not suitable with the existing use and ownership of the Property, then such disapproval shall be final and the Unit Owner wishing to sell may not sell, convey or transfer the Unit to that prospective purchaser.

In the event the Executive Board disapproves the proposed sale for a reason other than as set forth above, and if the Unit Owner still desires to consummate such sale, the Unit Owner shall, at least thirty (30) days before such sale, give written notice to the Secretary of the Association of the Unit Owner's intention to sell on a certain date, together with the price and the other terms thereof, and the Secretary shall promptly notify the Members of the Association of the date, price and terms. Any Member shall have the first right over the prospective purchaser to purchase the subject Unit, provided the Member so notifies the Secretary of the Association in writing of the acceptance at least fifteen (15) days before the date of the intended sale and deposits with the Secretary of the Association ten (10%) percent of the purchase price as a good faith deposit, which information and notice of deposit the Secretary shall promptly forward to the Unit Owner. In the event no members of the Association exercise this first right to purchase as aforescribed, then a purchaser (other than a Unit Owner) who is approved by the Association may purchase the Unit upon the price and upon the terms contained in the notice, provided the Association, at least ten (10) days before the date of the intended sale, notifies the Unit Owner that a purchaser is in place and that said purchaser has deposited ten (10%) percent of the purchase price with the Association as a good faith deposit for the intended sale. In the event the Unit Owner giving notice receives acceptance from more than one Member, it shall be discretionary with the Unit Owner giving notice to consummate the sale with whichever of the accepting members the Unit Owner giving notice chooses, in the Unit Owner's sole discretion.

In the event the Unit Owner giving notice receives no written notice from any Member of the Association, or any other qualifying person, accepting the price and terms of the proposed sale on or before ten (10) days before the date given in the notice as the date of sale, then that Unit Owner may complete the sale on the day and at the price and terms given in the notice, but on no other day and at no other price or terms, without repeating the procedure outlined above. In the

event the Unit Owner makes a sale without first complying with the terms hereof, any other Member of the Association shall have the right to redeem from the purchaser, according to the provisions hereof. The Member's redemption rights shall be exercised by the Member reimbursing the purchaser for the monies expended and immediately after such reimbursement, said purchaser or transferee shall convey all of the purchaser's or transferee's right, title and interests in the Unit to the Member or Members making the redemption.

An Affidavit of the Secretary of the Association stating that the Executive Board has approved in all respects, on a certain date, the sale of a Unit to certain persons, and on certain terms and conditions, shall be conclusive evidence of such fact.

An Affidavit of the Secretary of the Association stating that the Executive Board was given proper notice on a certain date of a proposed sale and that the Executive Board disapproved or failed to act on such proposed sale, and that thereafter all the provisions hereof which constitute conditions precedent to a sale of a Unit have been complied with, so that the sale of a particular Unit to a particularly named person does not violate the provisions hereof, shall be conclusive evidence of such facts for the purpose of determining the status of the person to whom such Unit is sold. Such affidavit shall be evidence of the fact that the sale to such person was made at the price, terms and date in the notice given to the Secretary of the Association, but one hundred twenty (120) days after the date of the notice to the Executive Board, as stated in the Affidavit, the redemption rights herein afforded the members shall terminate.

In the case of transfer of title due to inheritance of a Unit or transfer of title from a Unit Owner into a trust in the name of the same Unit Owner, the foregoing provisions do not apply, provided, however, that within fifteen (15) business days prior to transfer of title the Unit Owner must notify the Executive Board, in writing, of the name and address of the person or entity to whom or which title will be transferred and furnish such other information as may be required by the Executive Board.

Article IX

Budgets, Common Expenses; Assessments

And Enforcement

Section 9.1. Monthly Payments. All Common Expense and Limited Common Expense assessments made in order to meet the requirements of the Association's annual budget shall be deemed to be adopted and assessed against the Unit Owners on a monthly basis (rather than on the annual basis payable in monthly installments) and shall be due and payable in advance, on the first day of each month, as determined by the Executive Board in its sole discretion.

Section 9.2. Subordination of Certain Charges. Figure 1. The effect of the concentration of the *Agrobacterium* strain on the transformation efficiency of *Agrobacterium* strain 1024. The concentration of the *Agrobacterium* strain was 10⁶ cells/ml (A), 10⁷ cells/ml (B), 10⁸ cells/ml (C), and 10⁹ cells/ml (D). The transformation efficiency was determined by the number of transformants per 10⁶ cells of *Agrobacterium* strain 1024. The data are the mean \pm SD of three independent experiments.
