

TUITION FEES and Charges

- ❖ My Dream Australian Academy requires parents to pay an annual tuition fee when enrolling or continuing attendance for a new school year. The academic year is divided into four terms, and fees must be paid within the first two weeks of each term.
- ❖ For new enrollments, parents must pay an upfront enrollment fee and security bond to secure a spot at the school. The enrollment fee cannot be refunded. The security bond will only be refunded if a parent cancels, defers, or withdraws their child from the school after 12 months of enrollment and there are no outstanding debts to the Academy.
- ❖ The tuition fees do not cover additional expenses like uniforms, textbooks, subject and technology fees, field trips, transportation, and optional activities such as tutoring, sports registration, or coaching. These extra costs will be charged separately to minimize the need for cash handling.
- ❖ If a parent has difficulty paying the school fees, they should inform the Principal in writing as soon as possible to find a resolution.
- ❖ Throughout the year, there may be additional costs for field trips, activities, and competitions added to the family account unless the school administration specifies another payment method.
- ❖ Students may need to participate in national or state tests like NAPLAN, and the school will charge the cost of these tests or competitions to the family account.
- ❖ Parents or guardians are responsible for any damages caused by their children on the school premises, during field trips, camps, or related properties. Intentional damages will be treated as vandalism and taken seriously by the school administration.
- ❖ There will be no fee reduction if a student is absent from school for any reason.
- ❖ If a parent or guardian wishes to withdraw a student from the school, they must provide a written notice for a full term to the principal. Failure to provide enough notice will result in charging a full-term fee for student withdrawals. Additionally, a Student Exit Form must be completed, indicating the student's future educational plans.
- ❖ A discount of 10% is offered on the Tuition Fees for the second and subsequent child in the same family.
- ❖ Parents who pay all Tuition Fees for the entire year in advance before the end of the previous year can receive a 10% discount on the Tuition Fees.
- ❖ Parents who pay all Tuition Fees for the entire year in advance before the start of Term One will be eligible for a 5% discount on the Tuition Fees.
- ❖ The Academy reserves the right to make adjustments to any Fees or Levies during the year.
