This Price List is in compliance with the Federal Trade Commission's required format. All funeral homes are required to price funeral services in a similar manner and to give you (for retention) their Price List if you so request.

From this list you may select the type of funeral you desire and understand the charges.

If there is a special financial need, please discuss it with your Funeral Director.

Please feel free to ask any questions.

GENERAL PRICE LIST

General Price List

These prices are effective September 1, 2025, and are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead.

If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items that you ask us to buy for you, such as cemetery or crematory services, flowers, and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

*No refund or credit will be issued for package sale goods or services which remain unused by the consumer at the time of need.

GENERAL POLICIES

Disinterments - Our minimum professional fee is \$450.00. This includes the necessary family conferences, coordinating with the cemeteries and grave service companies, arranging for transportation and obtaining the necessary permits and authorizations. All grave service charges and transportation will be handled as a cash advance (*you will be charged only what we are charged*). We reserve the right to make additional charges for professional services which require more of our time.

Unembalmed Bodies - Texas Statutes provide that all bodies not disposed of within twenty-four hours after death must be embalmed or refrigerated. If you do not want embalming, we can arrange for refrigeration. You may have a funeral service with an unembalmed body present, but under no circumstances will we allow *public* viewing of an unembalmed body. *Only the immediate family will be allowed to view an unembalmed body.*

Infant Services - The death of an infant is often sudden and extremely traumatic to a young family. In order to alleviate any financial obligations for funeral expenses, LaBrie Claybar Funeral Home will provide at *no charge* the following services and funeral merchandise for an infant service: basic professional services, local removal and transportation to a local cemetery, a graveside service and a Cherub casket/vault combination.

Youth Services - Youth and children's funeral services also present difficult and emotional funeral arrangements. LaBrie Claybar Funeral Home will discount all services from the General Price List by 20% in order to assist the family. Youth casket and outer enclosure price lists are available at the funeral home.
