

Lincolnshire County Archery Society

AGB/EMAS/LCAS fees

1st October 2025 to 30th September 2026

	AGB	EMAS	LCAS	Total
Seniors (over 21)	£65	£5	£6.30	£76.30
U21 and disabled	£25	£2.50	£3.15	£30.65
Universities	£210	£25	£35	£270
Schools	£115	£12.50	£21.90	£149.40

If renewals are not complete by 31st October, then the personal renewal date kicks in. That means members renewing/joining after 31st October will have a different renewal date to the rest of the club.

There will not be any more pro rata, but when a member joins that will be their renewal date.

All members are being asked to log on to Sport:80 to check their details which will activate their account. Members will be able to renew their own membership, however, this will not automatically pay for county and region, that will have to be done separately.

For next year 2025/26, I believe, secretaries can still do renewals but members can also renew themselves.

Members will also be able to align with other clubs, this does not mean they are members of those clubs., but you will be able to see if you have associate members.

Please note on an e-card there is now a QR code which when scanned gives all details about the archer, including if they are current members.

There is discussion about how county and region fees can be included in the renewal of AGB fees, but this is not complete, so if an individual member renews then they only have to tick a box to say they have paid their county and regional fees.

When sending your renewals / new members over to the county membership officer can you please include the following.

- Name
- Amount Been Paid

If doing this for more than 1 person then please also send a break down of how many Adults & How many juniors / disabled, please so we work out what they payments are made into the county account. We have to then distribute the right fees over to EMAS.
