Food Allergies & Intolerances: Before ordering your food & drinks please speak to our staff if you want to know about any of the ingredients in our foods & drinks. Your safety is our greatest concern & because allergies can be life threatening we would ask you to think carefully about the risks before you order. We are proud of the service we provide to people with allergies & intolerances and we work very hard with our suppliers & our teams on processes and checks around allergens. However you should be aware that we have hundreds of ingredients in our kitchen and it is always possible that a mistake could be made in taking or preparing your order. For this reason we cannot 100% guarantee that any dish / drink is allergen free. Our Allergen Guide is available on our website. It shows which of the 14 legally declarable allergens are contained in every dish but it does not list all ingredients. We recommend that you check the Allergen Guide yourself every time you order as our recipes sometimes change.

Mild Allergies & Intolerances:
We cannot be responsible for the amount of allergen in a dish. We strongly advise that if a dish contains something that you are allergic to, that you do not order the dish.
