Enjoy your visit

Visitor Guide

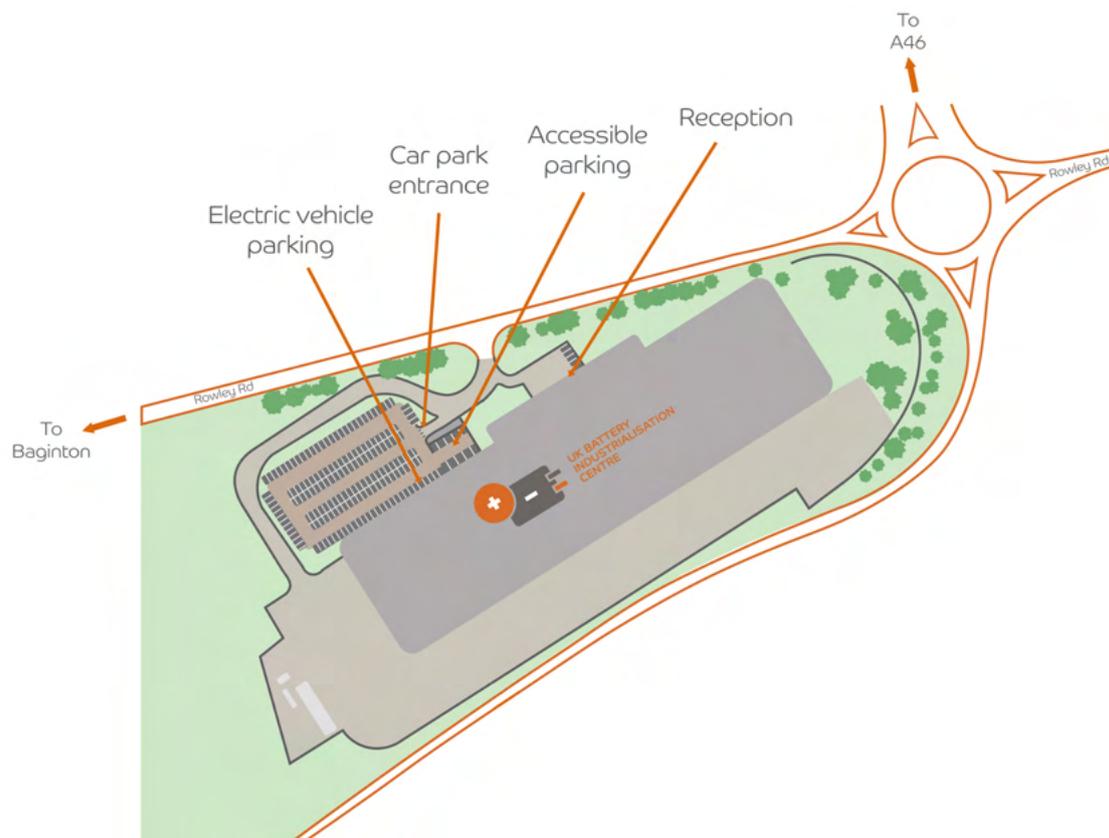

When you arrive

Parking

Subject to availability, there are accessible spaces and electric vehicle charging spaces. Drive up to the barrier and press the buzzer to speak to Reception and tell them who you are there to see. When parked, please follow the signs to Reception.

Arrival

Your contact at UKBIC will pre-register you with Reception. You will receive a temporary pass giving you access to relevant areas of the facility. You will need to return this pass and sign out when you leave. For groups of 10 or more visiting the facility, please follow the guidance provided by your host.

Local accommodation

You can find a short list of nearby hotels [here](#), with many more available locally.

Food and drink

There is a café next to Reception which serves hot and cold food and drinks between 8am and 2pm Monday to Thursday, and between 8am and 11am on Fridays. A fresh coffee machine is available to buy drinks outside of these hours.

Accessible toilets are also available across the site.

Visitor Guide

Health & safety

Your host will advise you on our on-site health and safety practices and any planned fire alarms.

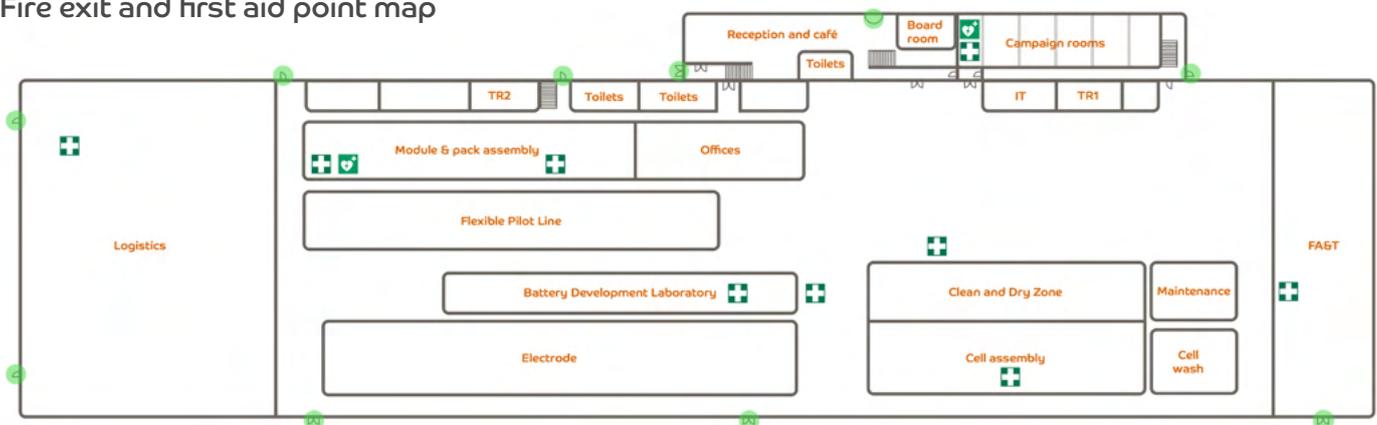

UKBIC is a working facility and we request that you wear sensible shoes for your visit. Please avoid open-toe shoes or high heels.

Fire safety

On hearing the fire alarm, your host will help you evacuate the building. Leave by the nearest exit and make your way to the assembly point shown on the image (below).

Fire exit and first aid point map

Photography

UKBIC is a working facility with customers who want to ensure their battery technologies are kept confidential. If you wish to take photographs or video inside the building, please speak to your host.

Zero tolerance policy

Read our anti-bullying statement [here](#).
