The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff

Our fee for the basic services of funeral director and staff includes, but is not limited to:

- Responding to the initial request for service.
- Conducting the arrangement conference.
- Preparation of biological and statistical data.
- Examination of financial settlement options.
- Preparation and filing of papers, permits and authorizations.
- Coordination with those providing other services.
- Preparation and placement of obituary notices.
- Retention and care of remains prior to commencement of post death activities.

\$2,395.00

This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming (Including use of preparation room and sanitary care)

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

If you choose to have an embalming performed, the decedent may be embalmed at a location other than this registered mortuary.

No human remains may remain unburied or uncremated in New Jersey for more than 48 hours unless embalmed or refrigerated. (N.J.A.C. 8:9-1.1)
