

LEGACY LEAVERS

Personalized Coaching & Consulting

Your growth. Your practice. Your legacy.

You don't have to figure it out alone.

Personalized support for educators and leaders ready to move from challenge to clarity, strategy, action, and impact.

Choose the support that fits you.

1. Targeted Coaching Session

60 minutes (in person or virtually)

\$195

- Personalized coaching
- Problem-of-practice analysis
- Targeted strategies and recommendations
- Relevant resources or tools
- Clear next steps

Best for: One immediate challenge you want help navigating now.

2. Strategy Intensive

90 minutes (in person or virtually)

\$350

- 30 minute pre-session intake
- Deep dive into your challenge
- Review of relevant materials
- Personalized recommendations
- Action plan, tools, and resources
- Follow-up guidance

Best for: You need clarity, strategy, and a concrete plan—not just advice.

3. Personalized Coaching Partnership

4 sessions • 60 minutes each (in person or virtually)

\$850

- 30 minute pre-session intake
- Four personalized coaching sessions
- Individualized goals and personalized plan
- Progress tracking
- Strategy development
- Resources and tools
- Between-session reflection and email contact
- Personalized action steps

Best for: You want consistent support while working toward a larger professional goal.

4. Legacy In Practice — Half Day Intensive

Half-Day • approximately 3–4 hours in person at school site

\$1,500

- 30 minute pre-session consultation (virtually or in person)
- Review of lesson/materials
- Classroom or practice observation
- Modeling or co-teaching
- Individualized feedback
- Debrief and collaborative planning
- Personalized next-step strategy
- One 30-minute virtual follow-up

Best for: You want to see it, experience it, and practice it in your real environment.

Note: Currently available for NYC only

5. Legacy In Practice — Full-Day Intensive

Full Day • approximately 6 hours in person at school site

\$2,500

- 30 minute pre-session consultation (virtually or in person)
- Review of instructional materials/data
- Classroom or practice observation
- Modeling/co-teaching
- Multiple opportunities to practice
- In-depth debrief and feedback
- Collaborative lesson/unit planning
- Personalized resources
- Implementation plan
- One 30-minute virtual follow-up

Best for: You want an immersive, personalized experience with support from preparation through implementation.

Note: Currently available for NYC only

What can we work on?

INSTRUCTION	LEADERSHIP	PROFESSIONAL GROWTH
Conceptual mathematics	Leading instructional change	Preparing for a new role
Student engagement	Developing a vision	Strengthening professional practice
Mathematical discourse	Coaching teachers	Developing an idea or initiative
Lesson & curriculum design	Using data strategically	Cultivating leader Identity
Instructional decision-making	Building effective systems	Turning a challenge into strategy
Inquiry based learning	Creating professional learning	Navigating challenging environments
Merging SEL and mathematics	High quality instructional meetings	The art of becoming an expert
Supporting All Learners	Emotionally Competent Leadership	Organization and prioritization
Note: If you have a topic that's not listed, book a discovery call and tell us about it. Let's see if we can partner in the work.		

What makes Legacy Leavers different?

Our work is grounded in real education experience and designed to help you connect:

INSIGHT → STRATEGY → ACTION → IMPACT

You won't just identify the challenge. You'll build the capacity to address it.

Simple, flexible ways to pay.

Payment options include: credit card, debit card, Klarna, Apple Pay, Afterpay, and Cash App.

Payment plans or alternate arrangements may be available for select coaching partnerships and intensives. Please ask when booking.
