Cremation Plus makes no representations or warranties regarding alternative containers/outer burial containers. The only warranties, expressed or implied, granted in connection with goods sold with this service or the written warranties, if any extended by the manufacturer thereof. No other warranties and, specifically, no implied warranties of merchantability and fitness of a particular purpose are extended by the seller. In most areas of the country, state or local law does not require that you buy a container to surround the casket or urn in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a outer burial container will satisfy these requirements.
