

# RESTORATION SEALER PRODUCT WARRANTY

We hereby guarantee the Groutsmith Restoration Sealer product on your living areas floors for 10 years, when properly maintained, as follows.

The floors must be periodically mopped and routinely maintained using only Groutsmith Routine Clean Gold formula (our PH balanced premium mopping product).

The kitchen floor, bathroom floors and high traffic floor areas must be cleaned every twelve months with Groutsmith Super Clean Green (our deep cleaning maintenance product).

The floors (all exposed and accessible area) must be deep cleaned by us every two years (charged service) and the Restoration Sealer touched up as needed, at that time (free service, covered under warranty) to preserve the appearance and durability of the floors.

If the Restoration Sealer fails on properly maintained floors, we will furnish and install new Restoration Sealer for the failed and affected grout areas.

The warranty will be voided if the floors are cleaned using steam, high pressure water, chlorine products, bleach or acidic products or if dirt and grease are permitted to accumulate on the surface of the floors, which will discolor and damage the surface of the sealer.
