

TO THE DROP

Irrigation Services

This Maintenance Plan Agreement is to perform regular checkups (system inspections) on the irrigation system of the property mentioned herein. An inspection consists of going over the entire irrigation system from the water source to the valves, wiring, timer, sensors, and every head or drip line on the system. It includes adjustments to heads and timer as needed as well as an “irrigation 101” course for you.

RIDER OPTION: This option covers up to 5 standard heads or nozzles replaced as needed (broken, leaky, or clogged). The rider expires once it has been fully tendered by the replacement of 5 standard heads or nozzles, or if the plan is cancelled by the client. Riders can be renewed once they have been fully tendered.

WARRANTY: This covers all system components repaired or replaced by To the Drop Irrigation, LLC for the period mentioned as long as the plan is not cancelled during that time. The warranty does not cover broken items caused by heavy machinery or equipment, fallen trees, “tilted” trees and stretched roots from hurricane winds or soaking, lightning strikes, or other acts of God/nature. To the Drop Irrigation reserves the right to charge a service fee for any warranty call that turns out to be one of the disqualifying factors noted above.

PERIOD OF PERFORMANCE: These services shall commence on the “effective date” noted above for a minimum period of 1 year, then continue until cancelled in writing (email will suffice) by either party.

ADDING SERVICE CALLS: Service calls can be added for a fee that is \$10 less than the plan fee chosen (exception monthly).

SERVICE DELAYS: To the Drop Irrigation, LLC is not responsible or liable for delays in the commencement or completion of the services that are a result of conditions beyond their control. This includes and is not limited to weather, a supplier's inability to supply parts, sickness, etc.

CANCELATION POLICY: If client needs to change or cancel an appointment, the client must contact To the Drop Irrigation, LLC no later than 24 hours prior to confirmed appointment time in order to avoid a service fee.
