

Request for Installation of Cable/TV Antenna/Satellite (T-124)

Date: _____

Tenant(s): _____

Property Address: _____

Check One: ☐ Cable ☐ TV Antenna ☐ Satellite Vendor: _____

I understand that in requesting installation of the above service, I must comply with the following:

(Initial)

- 1) _____ You are responsible for the cost of the installation and the landlord and/or landlord's agent will not reimburse you at any time.
- 2) _____ When the company completes the installation, there is to be no damage to the property. If there is damage, you are responsible for the cost of repairs and/or maintenance.
- 3) _____ If a satellite dish or antenna, you must call us for approval of the location prior to installation. There should be no drilling into walls, nor attaching antennas/satellite dishes to the structure of home.
- 4) _____ If the company installing your service requires written authorization, they are to submit their documentation to our office.
- 5) _____ When you leave the property, you must give proper notice to the service company to disconnect the services and pay all charges for disconnection and any amount due. Any damage incurred upon disconnection will be your expense. You are responsible for satellite/antenna removal.

You must notify us when installation is complete or if you decided not to pursue it.
