"Everyone is professional and very understanding. Zoe is awesome. And she has great communication with me. Does not take long to respond to any question that I have. Really smooth process for me because of Zoe."

Vanessa N. (Feb 2024)

"Sabrena Clayton, Property Manager, along with staff of Homeowners Property Management, have been outstanding and very professional. The HPM team have gone over and above to assure tenants needs are met, work orders, 6 months home inspections, transactions, etc. are completed in a timely manner. Kudos! I am very grateful and appreciative for their company managing my small rental property."

Jay G. (Dec 2023)

"Jason Piekarski has been incredibly helpful and patient, while i have been trying to get my home rent ready after moving across the country. I have had nothing but great service and support from this company so far."

Nikole H. (Nov 2023)

"Zoe was great! I was torn between this property and another with a different property management group but Zoe's customer service was the determining factor. The other company was difficult to contact and always answered my questions in a condescending tone. Zoe was always available and would even correspond through text to accommodate me. She also recommended alternative options when my original choice didn't work out."

Luke S. (Nov 2023)

"Owner's perspective: Had a great opportunity to work with Jeff who has been absolutely killing it for me while I'm out of state. Multiple times has had my back and continues going above and beyond to help me with my rental. Would recommend to other renters/ owners in the area."

Kara D. (Oct 2023)

"I was apartment hunting from out of town and needed the assistance of someone who would look out for my best interest. Thank God for Zoe!! She got me into just what I needed. I've been in my new place about two weeks now and it is ideal for me!! Thanks again Zoe!! You rock!!"

Keon M. (Oct 2023)

"Overall was a straight forward process. I just PCS to Ft. Liberty. Within just a couple of weeks I moved into my new home. Thank you to Zoe and her team."

James R. (Aug 2023)

"HPM under current ownership as well as past managed my property for over 25 years. They provided timely and professional service far above and beyond my expectations. I highly recommend them for all of your property needs."

Lauren C. (Aug 2023)

"We had a phenomenal experience with homeowners! They're very responsive and really easy to work with! They found us a home within a couple of days and worked with us to move in when WE needed to. I can't say the same about other management companies we tried to rent through. Our home was in a very safe neighborhood and anytime we had an issue it was fixed within the week. We will be using the company in the future if we ever make our way back to Fayetteville!"

Wes R. (Aug 2023)

"HPM and Team 2 took care of me during my three-year tenancy and my move out, even in a hectic PCS season. Danielle and the others on Team 2 did a great job and I recommend anyone to rent with them or use them as management for your own rental home. As a tenant, remember to read the tenant manual, your move in/out documents, keep your property managers informed, and you will be set."

Tartesha T. (Aug 2023)

"Was with Homeowners Property Management for three years. Wish we wasn't moving out of state. Danielle and Team 2 was great and made the move in and move out process so smooth. I would definitely recommend this property management company."
