Ready, set, dance! Classes begin the week of September 7th!

Dance Attire

We ask that you please follow the dress code that was sent in your welcome email. Proper dance attire allows instructors to correct alignment which is an integral part of your dancer's training. Hair must be in a bun for all K-12th grade classes, except hip hop. Thank you for having your dancer prepared for class each week!

Dance Bag Essentials

All dancers should have a dance bag in which they keep dance shoes, a water bottle and extra hair ties. Please label all items with your dancer's first and last name, especially the inside of all shoes.

Lobby Etiquette

We love having parents view their dancer's classes. Please respect our lobby area; clean up any messes you may make and be mindful of others. Dancers in 2nd grade and younger must be supervised by an adult before and after class. We ask that siblings are supervised at all times. Children are **NOT ALLOWED** to run in the lobby or play in our store area. We offer a no-distraction environment; parents, siblings, and friends are not allowed to sit inside the studio during dance classes.

ATTENDANCE

Please email office@gravitydancestudio.com if your dancer will be absent.

Gravity dance classes start on time! Please put forth your best effort to have your dancer at class on time and make practices and performances a priority! Your team depends on you to be the best we can be. For K-12th grade classes, we use the **Band App** (see your welcome email to subscribe) and will post practice videos periodically.

TUITION

Tuition is based on a 9 month season and divided into 9 equal monthly installments. Tuition will be automatically drafted from your card on file on the first of every month or the following Monday if it falls on a weekend.

A \$25 late fee applies on the 5th of the month if the payment fails and no update is made.

If you must withdraw from class, written notice must be received by the 25th of the month in order to not be charged for the next month's tuition.

Important Payment Dates:

October & November 15th - Non-refundable costume payment due for Performance Classes.

March 15th - Non-refundable \$35 recital fee due for all dancers participating in the spring recital.

CURRICULUM

We have two main goals with all of our class curriculums:

1. To teach dancers proper technique and to develop the strength and flexibility needed to perform these skills.
2. To introduce choreography that incorporates technique, movement, expression & artistry.

Most classes will learn 2-4 routines throughout the season. Select classes may be chosen to learn production dances and show openers and finales in addition to their regular class routines.
