ABOUT THE EDGE TEAMS

The Edge is our highest level of class offered at Gravity Dance. These teams are intended for dancers who want to continue to be pushed and challenged to their full potential at an accelerated rate. See financial and time commitments below.

TIME COMMITMENT

Dancers who make an Edge team will be required to take a weekly technique class in addition to a choreography class in which they will learn a competition routine. These classes are in addition to the classes they are already enrolled in this season.

Until we have a better idea of who is auditioning and what teams we put together, the schedule may change from what is listed below.

Petite Edge (average age of 5-8 years) • Wednesday's 4:30-6:30pm

Junior Edge (average age of 9-11 years) • Thursday's 5:00-7:00pm

Teen Edge (average age of 12-14 years) • Thursday's 6:00-7:00pm, 7:45-8:45pm

FINANCIAL COMMITMENT

Dancers on the Edge teams will be required to attend the NUVO dance convention on February 19-20th. You can choose to do 1 day or 2 days. This fee can be paid all at once on January 15th or split into 2 payments due on January 15th and February 15th.

Edge teams will compete at 3 competitions and perform at the spring show.

The monthly class fee will include studio time, competition fees and costume fee paid over 5 monthly installments withdrawn on the 1st of each month.

Monthly class fee: \$135/mo (Jan, Feb, March, April, May)

Convention fee:

\$300 for 8-18 year olds for both days | \$200 for Saturday only

\$225 for 5-7 year olds for both days | \$150 for Saturday only

THE AUDITION

Date: Wednesday, December 22nd

Arrival time: 4:30pm

Approximate end time: 6:30pm

*Auditions will be closed for parents to watch.

Dancers should wear all black, form fitting clothing (leotard, leggings, shorts, tank or crop top) with hair in a secure bun.

Dancers will warm up together and learn a short dance combo in which they will be evaluated on. We will then call in 4-5 dancers at a time to be evaluated on their overall skill set (see below) and how well they are able to pick up choreography, quality of movement and overall performance.

We will group dancers together who have similar skill sets to create our first ever Edge teams to represent Gravity this season!

Results will be sent via email by December 27th.

*Skills to
know!*

If your dancer is unsure what any of these skills are, YouTube is a great resource to practice ahead of time. We have worked on all of these skills in class this year.

- Chainé turns
- Pirouette
- Straight Leap
- Splits

- A la secondes (older dancers only)
