
Category:	Foundation FN-02
Policy Name:	Vision Statement
Initial Approval:	2014

The board's vision statement describes the future success of the library. A compelling vision statement encourages action that moves the library towards a desirable future. This policy ensures that the board and staff are guided by a clearly articulated vision for the library in the years to come.

1. The vision statement is used as part of a decision-making framework for board and staff.
2. All strategic decisions of the board need to support the vision statement.
3. The vision statement is developed by the board as part of the strategic planning cycle.
4. The lake of Bays Public Library's vision statement must:
 - a) be futuristic, in that it describes what is not yet true;
 - b) convey a picture of a desirable future;
 - c) be easily understood by people both inside and outside of the library;
 - d) guide the actions of the board and staff.
