
Category:	Operational OP-16
Policy Name:	Accessibility in the Library
Date Approved:	October 24, 2016

The purpose of this policy is to ensure that the Lake of Bays Township Public Library (the Library) meets or exceeds the compliance requirements set by the *Accessibility for Ontarians with Disabilities Act (AODA) 2005* and the *Integrated Accessibility Standards Regulation (IASR) (O.Reg 191/11 as amended by O.Reg 165/16)*.

The Library's implementation of the accessibility legislation will be in alignment with the Library's Mission, Vision and Values, including the values of equity, diversity and inclusion (EDI). The Library acknowledges that accessibility is a shared responsibility between Library patrons, staff, partners and the general public.

Section 1: Statement of Organizational Commitment

The Library is committed to providing accessible, equitable and inclusive access to library services and facilities. The Library will ensure that each employee, volunteer and patron receives equitable treatment with respect to employment and services without discrimination, and receives accommodation where required in a timely manner, and in accordance with the *Ontario Human Rights Code* and the *AODA* and its regulations.

The library will develop and support a service environment where the needs of persons with disabilities are addressed in accordance with the principles of dignity, respect and inclusion.

Section 2: Responsibilities

1. For the purposes of *AODA*, the library provides services on behalf of the municipality, and therefore is considered, along with the municipality, to be designated public sector organization that is a "small organization" [...] with at least one but fewer than 50 employees in Ontario, other than the Government of Ontario, the Legislative Assembly or a designated public sector organization" as defined within the *O. Reg. 191/11*. The library complies with the obligations for this sector as set out in the *AODA* regulations.

2. The board ensures that the library complies with the spirit, principles and intent of the *AODA* and designates the Chief Executive Officer (CEO) as the individual accountable for the organization's compliance with legislation.
3. The CEO will ensure that policies, procedures and training comply with the *AODA* and any regulations made under the *AODA*.

Section 3: The Accessibility Plan

1. A representative of the library currently sits on the Township's Accessibility Plan working group so the library will work with the municipality to develop, implement and maintain the multi-year accessibility plan.
2. The plan will be reviewed and updated at least once every five years
3. Persons with disabilities will be asked to consult on the plan and conduct accessibility audits.
4. A link to the plan will be posted on the library's website and be provided in accessible format upon request.

Section 4: Policies and Procedures

1. In accordance with the O. Reg 165/16, relating to the Accessibility for Ontarians with Disabilities Act 2005, the library has developed this policy to include the required Customer Service elements; and the library's other policies will support accessibility, in these specific areas:
 - a) The purchasing policy will include accessibility criteria for procuring or acquiring goods, services, or products (and in the event where it is not practicable to procure accessible goods, services or products, the Library will document the reason within any files or reports related to the project);
 - b) the Internet services policies will include accessibility provisions with respect to the library's website as outlined under the Web Content Accessibility Guidelines (WCAG);

- c) the human resources policies will address training on AODA regulations and the Ontario Human Rights Code, accommodation for job applicants and accommodation plans;
- d) the collection development policy will address the availability of materials in a variety of accessible formats (e.g. print, audio, visual, digital, etc.);
- e) the programming policy will address the development and delivery of library programs to provide reasonable accommodations for accessibility needs.

Section 5: Customer Service

The Library is committed to the independence and inclusion of persons with disabilities in our community, and in the context of customer service all commit to the following:

1. The library will make every reasonable effort to ensure that services and programs are accessible by:
 - a) encouraging the use of personal assistive devices to access library services and programs;
 - b) providing at least one computer workstation at each location which is equipped with assistive technology and a range of accessibility features;
 - c) arranging for the provision of accessible materials where possible;
 - d) providing a library website with content that will meet or exceed Web Content Accessibility Guidelines (WCAG);
 - e) supporting the inclusion of supporting persons or service animals accompanying people with disabilities, such as:
 - i) waiving fees for support persons assisting users
 - ii) permitting service animals to assist users. While accessing the Library's premises, the person with a disability is responsible for providing documentation identifying their animal and also ensuring their service animal behaves in an appropriate manner.

2. The library will make every effort to communicate with users in a manner that enables the use of services and programs by providing:
 - a) this and other relevant policies in alternative formats upon request;
 - b) information on the provision of customer service for people with disabilities and accessible services and programs;
 - c) reasonable notification of all interruptions that especially relate to the provision of services and programs for people with disabilities, such as the automatic door not functioning.
 - d) a process for receiving feedback about the manner in which the library provides services to persons with disabilities.
3. The library will provide training to its board members, staff and volunteers on how to provide customer service to people with disabilities and will keep a record of when the training was provided and the individuals who received the training.

Section 6: Communication

1. The library shall make its communications available, upon request, in accessible formats for persons with disabilities and make the public aware of the availability of accessible formats. This applies to communications such as:
 - a) policies
 - b) accessibility plans
 - c) emergency procedures, plan and public safety information prepared for the public
 - d) forms, surveys and other tools used to gather feedback
 - e) information on collections/materials in accessible format
 - f) employment standards
2. Accessible formats of the library's communications shall be made available:
 - a) in a timely manner
 - b) at no additional cost to the individual and
 - c) in consultation with the person making the request.

3. In the event of a scheduled service disruption that will impact persons with disabilities in accessing the Library, notice of the planed disruption will be provided at least 48 hours in advance. In the event of an unplanned service disruption, notice will be provided as quickly as possible.
4. The Library welcomes feedback from persons with disabilities on the accessibility of its collections, services, programs and facilities. The Library will strive to communicate with persons with disabilities in a manner that meets their individual accessibility needs.

Definitions

“Accessible formats” may include, but are not limited to, large print, recorded audio and electronic formats, braille and other formats usable by persons with disabilities. Also referred to as alternate formats.

“Assistive devices” are any products, equipment or technological aids used by persons with disabilities that enable a person with a disability to do everyday tasks. Examples include Braille recorders, recording devices, magnifiers and more.

A **“barrier”** is anything that prevents a person with a disability from fully participating in all aspects of society because of their disability, including a physical barrier, an architectural barrier, an information or communications barrier, an attitudinal barrier, a technological barrier, a policy or a practice.

“Communication supports” are tools or devices that facilitate communications for a person with a disability and may include, but are not limited to, captioning, alternative and augmentative communication supports, plain language, sign language and other supports that facilitate effective communications.

“Disability” as defined in the AODA, means:

- (a) any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device,
- (b) a condition of mental impairment or a developmental disability,
- (c) a learning disability, or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language,

(d) a mental disorder, or

(e) an injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997; (“handicap”)

“Service Animal” means an animal, typically a dog, that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, episodic, intellectual or a mental health disability. Tasks performed can include, among other things, guiding, pulling a wheelchair, retrieving dropped items, alerting a person to a sound, reminding a person to take medication, or pressing an elevator button.

“Support Person” is, in relation to a person with a disability, another person who accompanies the individual with a disability in order to help with communication, mobility, personal care or medical needs or with access to goods and services.
