

Monthly Newsletter

Top takeaways from recent Federal updates:

Click on each title for more information

- **Guidance on FVT/GE Data Reporting: STATS Early Implementation and Next Steps**: Notifications have been issued to institutions missing critical FVT/GE details. Schools must meet two key deadlines: October 1, 2026, for the standard 2026 reporting cycle, and January 15, 2027, for any previously unreported 2024 or 2025 data.
- **Headline: Final 2027–28 FISAP Form, Instructions, and Desk Reference**: Institutions participating in Campus-Based programs must submit their 2027–28 FISAP by October 1, 2026. Schools are also reminded to report their Federal Work-Study calendar year wages in COD.
- **NSLDS Transfer Student Monitoring & Financial Aid History User Guide and Record Layouts (August 2026)**: The updated NSLDS Transfer Student Monitoring and Financial Aid History User Guide has been released, providing institutions with essential record layouts and technical instructions for tracking mid-year transfer students.
- **(ANN-26-19) Online Training Courses – Cohort Default Rates and Default Prevention**: New self-paced Cohort Default Rate and default prevention training courses are now available in the FSA Training Center.
- **2026–27 COD System Peak Processing Reminders**: Institutions are reminded of anticipated high COD processing volumes, system maintenance windows, and key operational deadlines during peak Fall processing.
- **FAQ: Reducing Annual Loan Limits for Less-Than-Full-Time Enrollment (OB3)**: Reminder of the available FAQ on One Big Beautiful Bill Act (OB3) requirements and the Schedule of Reduction taking effect for 2026–27 Federal Loans.

Personalized Student Outreach That Converts

Don't let unanswered calls become lost students during critical enrollment cycles.

FA Solutions delivers experienced higher education professionals—not scripted bots—to handle real-time student outreach across financial aid, admissions follow-ups, and billing, keeping your institution moving forward.
