

PRESBYTERY OF EASTERN VIRGINIA
2026 Camp/Conference Scholarship Grant
Application

Funds are available from the Presbytery of Eastern Virginia’s Cannell Marital Trust donated fund to assist congregations in providing financial assistance for children, youth, and adults to attend and participate in Presbyterian Church (USA) camps and conference centers in the southeastern United States. Congregations apply, and all approved funds will be disbursed to the congregation.

While it is Council’s prayerful desire to approve as many grant requests as possible in a year, there is currently a limited amount of funding available for this. Council will approve appropriate grant requests as long as funding allows.

Maximum amounts offered per camp/conference* are:

Five hundred dollars (\$500) per youth/adult

Two thousand five hundred dollars (\$2,500) per Congregation

*A congregation may submit separate applications for multiple camp/conference events in the same year.
