

Get Connected

Every student deserves a community that will encourage them, walk alongside them and help them discover who God is calling them to become.

When you connect with Wesley ODU, you become part of a network of students, families, churches and supporters investing in Christian community on campus and developing leaders for the church of tomorrow.

Invest in Students

Your generosity helps create the spaces, relationships, and opportunities where students can belong, grow in faith, serve others, and lead.

- Make a **one-time gift** to support the ministry happening on campus today.
- Become a sustaining supporter by making a **recurring commitment** that helps Wesley ODU plan confidently for ministry throughout the year.

Every gift and every commitment helps us continue showing up for students when it matters most.

Connect. Give. Help students grow.

About Wesley ODU

Campus ministry has been part of the ODU community since 1964, creating space for students to grow in faith, build community and discover their place in the world.

In 2022, the Tidewater Wesley Foundation was relaunched as **Wesley ODU**, a reimagined ministry shaped for today's students. In 2024, the Presbyterian Church (U.S.A.) joined as an ecumenical partner, strengthening our shared commitment to serving students across the ODU campus.

Campus Ministry

Campus ministry meets students where they live, learn, question, and grow during one of life's most formative seasons. Wesley ODU is embedded in the daily rhythm of campus life, building relationships and creating space for students to explore faith, deepen their love for Christ, and discover how God is calling them to serve the world.

Student Leaders

Wesley ODU is a student-led ministry where young adults learn to lead by serving, planning, welcoming, teaching and building community together. These experiences help students grow in confidence, deepen their faith and discover their gifts, preparing them to become thoughtful, committed leaders in the church and beyond.
