

2013 LEGAL *Elite*

EDITED BY
**CHRISTY SIMO AND
SUSAN PERCY**

Our 11th annual listing of Georgia's top attorneys, selected by their peers, highlights nearly 800 lawyers from every corner of the state in 10 different practice areas: Bankruptcy/Creditors' Rights, Business Law, Corporate Law, Criminal Law, Family Law, General Practice, Labor & Employment, Personal Injury, Public Finance/Bonds and Taxes/Estates/Trusts.

To compile this listing, we mailed ballots to a sampling of several thousand attorneys who are members of the State Bar of Georgia and whose practice areas correspond to the areas we are featuring. We also put a ballot on our website, www.georgiatrend.com, which could be downloaded or submitted online.

Any attorney who is a member of the state bar and lives and practices in Georgia was eligible to vote and to be voted onto the list. Respondents were not allowed to vote for themselves; they could vote for other members of their firms if they voted for an equal or greater number of attorneys outside their firms.

The names of the top votegetters appear in the following pages in alphabetical order. They are listed in the categories into which their peers voted them, although some may practice in more than one area.

The listings are determined solely by lawyers' votes; places on the list are not for sale. New this year: The names of attorneys who are advertisers appear in blue type.

Ballots were tallied and names verified by the *Georgia Trend* editorial staff.
