# MISSIONS

We praise God for the progress made on our village home in April! With the help of our friend and fellow missionary Daniel Hansen, a building team from Sublett Road, and my grandpa Duane Root, we were able to install solar power, electricity, an indoor bathroom, more windows for light and airflow, and a ceiling.

As we continue settling into life in Mot, we're building relationships and learning local rhythms. The people here have shown incredible generosity, often sharing their harvests and hunts with us. Thanks to them, we've enjoyed local foods like fish, wallaby, wild hog, greens, squash, and cassava. Learning to cook with these ingredients has been a fun challenge! We're looking forward to completing the house soon so we can focus more on life and ministry with the Murkim people. Continue to pray!
