# CAMP 2025

TEXAS SPRING  
CAMP 2025

# ABOUT ME...

Bradley & Susan Taylor  
Conner & Morgan

My name is Bradley Taylor. I have lived in Henderson, Texas, for about twenty-two of the thirty years I have been alive. For those years, I have been a member of Calvary Baptist Church. My parents moved my sister and me to Conroe, Texas, where we lived for about six years before returning to Henderson. During our time in Conroe, we were members of West Conroe Baptist Church, and a group came in to help our church put on a production of Heaven Gates and Hell Flames, and they chose my dad to play the devil. In his performance, he could be seen dragging young children from their families because they had not trusted in Jesus Christ as their Savior. His acting was so good that I was scared straight, so to speak. That night I told my dad that I needed to get right, and that night made a profession of faith. I was about 8.

When I was in the fourth grade, my family and I moved back to Henderson. I entered high school some years later and was very involved in the youth group at Calvary. In the tenth grade, I surrendered to the ministry but immediately fell away from Christ. In 2016, I met a girl named Susan and was very quickly head over heels for her. We got married in 2018 and, after a couple of moves, found ourselves back in Henderson with a 10-month-old little boy named Connor. During this time, I had been feeling God tug at my heart, wanting to come back to him. We finally decided to start attending Calvary services as a family, and that is when everything changed. I found myself truly falling in love with Christ and desperately wanting my wife to do the same. By the grace of God, she did, and we committed that we would be devoted to Him. We began getting involved with many ministries, and after a short time, God started bringing to remembrance the fact that I had surrendered my life to Him in the past. As I was wrestling with this, God was also impressing upon my wife my call to ministry. Three years ago, my little family, who were awaiting the arrival of a new baby girl, Morgan, into the world, chose to actively pursue a life of ministry. I am now a part-time student at TBI, I am the president of the student senate, I teach a young adult Sunday morning class, I am teaching a Wednesday evening class, my wife and I lead children's worship where we teach once a month, I am involved with many other ministries at Calvary including the youth group.
